

This week ends Camp Sparkle Tacoma, our fifth year serving kids touched by cancer in the South Sound. Our campers had a great time playing with [Reading With Rover](#) therapy dogs, swimming at Stewart Heights Pool, learning about nutrition, visiting the animals at the Point Defiance Zoo, practicing yoga with Julia from [Source Yoga](#), enjoying a delicious lunch at The Old Spaghetti Factory, exploring the [Tacoma Children's Museum](#), and playing field games at the STAR Center. Thank you to our campers and volunteers for making it such a fun week!
