## *Sponsor a table for a Model's Family*

*Every model walking the runway is a cancer survivor.*

As a Model Sponsor, you can purchase a full table (10 seats) for the family members of a model, so they can share in the triumph of survivorship with their loved one without any financial barriers. Every table sponsored for a model's family ensures more funds raised at the event support our free education and support programs for families touched by cancer.

This meaningful contribution is greatly appreciated.
