

# CAMP SPARKLE!

## Letter from the Camp Director

Dear campers, families volunteers, and partners,

We write with heavy hearts to inform you that we will not be hosting our in-person Camp Sparkle this summer due to the COVID-19 pandemic. This decision was painful to make and we know many will share in our feeling of disappointment. We have all experienced so much loss throughout this pandemic. But during this unprecedented time, we have to put our responsibility for the health and safety of our cancer community first.

That said, we are not wavering in our commitment to families impacted by cancer. Now, more than ever, we are doubling down on our mission to cultivate healing, joy, and friendship for kids and families.

We are excited to announce the launch of Virtual Camp Sparkle!

You will not go through this summer alone.

All my best,  
Maddie Ritter, LICSW  
Camp Director
