Enrich the Health of Your Students with Cancer Happens® Teen Education

Did you know?
Cancer is the 2nd leading cause of death in the U.S., and more of our students are being impacted each year.

Workshop Details
All teachers, school nurses, and staff welcome. Live Webinar via Zoom with opportunity for Q&A. Earn clock hours or meet goals on PGP.

Participants will:
1. Increase knowledge of cancer, risk reduction, and healthy living
2. Incorporate technology by utilizing the eLearning program and online resources
3. Learn how to support those affected by cancer inside your school community

9:00-10:00 a.m. PT Wednesday, June 10th
